

Flooring for outdoor, indoor,
public and private events

LOCK TILES MOSOLUT EVENT

Our floor systems find versatile use at events and fairs, they ensure a smooth course of presentation and make it possible to highlight the corporate image. Thanks to easy, cheap and fast assembly and disassembly, our floor panels will be a valuable part of your equipment.

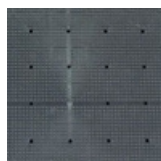

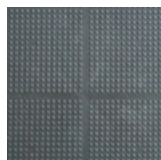

The Mosolut Event floor is ideal as a floor for your exhibition stand, party tent, temporary location (e.g. vaccination centers, Open Day, festivals, concerts). Thanks to the quick installation, you save time and

money. Rely on the high-quality design of Mosolut Event paving.

Thanks to the rounded surface of the floorboard, it is very easy to clean both dry and wet. Thanks to the structure of the protrusions on the surface, you can use this plastic floor made of polypropylene (PP) in different ways. This visually attractive yet load-bearing floor will serve you well for several years without the need for recurring expenses. Request a quote and see for yourself.
